Make plans now and register for our March webinar featuring a Legislative Outlook from Paul Hodnefield, Associate General Counsel, CSC.

Set to take place at 3P on Thursday, March 16, this webinar will provide an annual Legislative Outlook with an inside perspective into what will be on the agenda during 2023.

## Find a Vendor in PRIA's Membership Directory

One of the often unused features of PRIA's online Member Directory is the sort by services option feature.

Business members of PRIA can indicate the services they offer, which will then display when a user clicks on the drop-down menu on the main page of the directory. Let other members know exactly the products or services you offer.

Log into the [members-only](#) side of the website and select the "My Membership" tile. Click the "Profile" link at the top and then the "Custom" tab. Select one or more "Services Offered" in the dropdown menu and click "Update."

If a service offered by your company is missing from the list, please [contact PRIA](#) and it will be added as an option.
