INAUGURAL MEETING - PRIA LOCAL"
"PURE MICHIGAN CHAPTER"

The [Property Records Industry Association \(PRIA\) Local](#) Chapter is a business and government local industry partnership, sponsored by PRIA.

Good communication between local industry stakeholders is essential. In addition, it is important that perspectives and information are shared between national and local industry levels. Recognizing these needs and supported by the success of PRIA at the national level, an alliance was formed in 2002 by PRIA and ALTA (American Land Title Association) called PREP (Property Records Education Partners.) In 2018, PREP was renamed to [PRIA Local](#) .

By participating in the **Pure Michigan [PRIA Local](#) Chapter** , you will have the opportunity to focus on local industry problems and join in finding solutions by networking more effectively with other members of our industry. *There are no membership dues associated with PRIA Local nor are there fees charged to attend meetings.*
